

2005 History-Social Science Primary Adoption IMAP Applicants

Number	Title	Employer	Highest Degree	Expertise	Region	Gender
49	Teacher	Palmdale School District	M.A. Education, Chapman University	K-8	South	F

Summary

The candidate is a seventh and eighth grade history teacher in the Palmdale School District. She has ten years of total teaching experience, and has been active in local leadership activities, including the development and presentation of in-services for teachers, and parent workshops. She developed the district's social studies standards and end of the year mathematics assessment. She served as an IMAP for the 2001 Mathematics Adoption and the 1999 AB2519 Mathematics Adoption. She has a M.A. degree in Curriculum and Instruction from Chapman University.
